## **EM4 Defense launches industry record high power single emitter pump laser.**

15W of output power out of 200 $\mu$  fiber places this single emitter at the pinnacle of commercially available lasers. The 15W laser retains the dimensions and features of the highly successful ultra high reliability and power TO-258 family of 8W output power, 100 $\mu$  fiber single emitters.

## **About EM4 Defense**

EM4 Defense, designs, develops and manufactures state-of-the-art, optoelectronic components for the Defense and Homeland Security markets. We offer both Commercial-Off-the-Shelf (COTS) optoelectronic modules, subsystems and unique Optoelectronic Design and Manufacturing Services (ODMS). EM4 is ITAR registered and US-based
